Minda,
Here's a recap of yesterday's conference call with Mary (MSA), Jeff and Rebecca on the timing of the new model development.
- SC#2/95 cell 10 (competitive test cell) contains Misty and Capri smokers
Next steps
- Rebecca pulling SC#2/95 cells 8 (Capri), 9 (Misty) and 10 (comp) today.
- MSA to score and validate by Friday 3/8
Implementation
If existing model validates against 8, 9 & 10
-- use old model by Friday 3/15.
If existing model does not validate against 8, 9 &10
-- redevelop old model and complete by ??
